

Transgrid enterprise bargaining commencement

Transgrid has notified the ETU, USU, CFMEU, Professionals Australia and the PSA that enterprise agreement negotiations will commence from 22 August.

The PSA will be working with and supporting the other unions to seek the best deal possible for members.

The PSA would like to hear from you about whether your enterprise agreement is meeting your needs and what you would like to see improved.

We will bring your input to the larger group of union representatives and management for the negotiations of your next agreement.

Please provide your feedback in this survey [HERE](#).
