

TAFE NSW Bulletin

Your union has been made aware of restructures in several areas:

- People and Safety
- Governance, Legal and Risk
- Procurement
- Office of the Managing Director
- Property and Logistics
- Communications and Marketing.

The PSA (CPSU) is deeply concerned about the potential negative consequences for members, particularly around increased workload and relocation/travel. We are happy to arrange meetings to talk with members in affected areas. Please let us know if you want this to happen.

We will be providing feedback to TAFE. If you have feedback you are sending to TAFE, please copy it to pdangerfield@psa.asn.au or alternatively please email any feedback you would like us to submit on your behalf.

Please also let us know of any concerns that you may have.

As we work our way through the coming restructures it is important that you have a say and your voice is heard.

You can support the work of the PSA (CPSU) and your local delegates by asking your colleagues to JOIN the PSA (CPSU) [HERE](#).
