

Transgrid Bargaining member update

TransGrid bargaining – sign up to the PSA (CPSU) and have your say!

The PSA (CPSU), together with other unions, has been attending regular bargaining meetings with TransGrid since August 2016 to negotiate the terms and conditions of employment of the next enterprise agreement.

Numerous contentious industrial issues have been discussed at these meetings. The PSA (CPSU) has been sending detailed email updates on the progress of bargaining and engaging with members on their views and what action they wish to see taken by the union and the members.
