Make the Switch Today

Dear Member,

Following the announcement of private providers in a number of districts, your delegates and the CPSU/PSA are working to ensure your membership is protected.

As you move into the federal industrial relations system, you will transfer into our federal branch which is called the Community and Public Sector Union (SPSF Group NSW Branch). This is your national union registered under Commonwealth Legislation.

Part of this process is ensuring all members switch from payroll deduction to other forms of payment like direct debit or debit/credit card periodic payments.

The strength of your union comes from you but relying on the employer to collect union dues puts the survival of your union at risk. Now more than ever it is important to be a member of the union.

That is why we are writing to you today to ask you to make the switch to pay by direct debit or credit card.

You can switch easily online [HERE](#) or download a direct debit/credit card form [HERE](#). We urge you to fill it out and return it **today**.

You can contact the PSA on 1300 772 670 or by emailing FACSOrganising@psa.asn.au.

Yours sincerely,
