

4 October 2017

## CPSU NSW enterprise bargaining meeting

CPSU NSW members are invited to attend a meeting with your Bargaining Team to discuss the next proposed Australian Catholic University enterprise agreement.

We have a response from the University about some of the details they are seeking, including an informal pay offer, claims around the span of hours and the streamlining of processes.

The union needs to hear from members about how you want us to respond on your behalf. If you are able to do so please attend a meeting for that purpose on:

- » **Thursday 5 October**
- » **Level 11, Tennison Woods House**
- » **North Sydney**
- » **12.30pm to 1.30pm**

We understand that some people may be away this week, and if you can't make it we will be holding further meetings in the near future.

For Strathfield Campus members, we are hoping to schedule a meeting next week on Thursday 12 October.

Please make the time to come along and bring a Professional Staff colleague who may be interested.

Membership forms and information will be available at the meetings.

Regards,  
CPSU NSW Bargaining Team
