As you would be aware, the Water NSW Enterprise Agreement Roadshow is due to commence throughout the state in the coming days.

This is occurring even though negotiations have not yet concluded, and there are many aspects of the proposal that CPSU NSW is concerned about.

As members of CPSU NSW, we are relying on your help! We promise it won't take much of your time!

Please print and display the poster

We kindly ask you to please print this poster (A3 and colour, if possible) and display within the common areas of your local office or area. Please also feel free to forward this poster onto to your colleagues and ask your colleagues to [JOIN](#) the CPSU.

Additional information
