Water NSW bulletin

The members of **all unions at Water NSW have voted to REJECT the proposed Unified Enterprise Agreement** pushed through by Water NSW. While CPSU NSW understands some members will benefit, there will be many members who do not benefit, and will in fact be worse off.

Through being united and standing strong, CPSU NSW members with the members of the other unions can VOTE NO to the proposed Enterprise Agreement. We encourage all our colleagues to VOTE NO, and **demand a better outcome for all our members, not just a few**. By being Stronger Together, unions can fight to protect the pay and conditions for **all** employees.

Please find attached [HERE](#) a Joint Union Flyer encouraging all employees to VOTE NO. **For this we need the help of all our members. Print off copies of this flyer, provide copies of the flyer to your colleagues, and leave copies of the flyer in lunch rooms, on desks and on notice boards.**

If a majority of those who vote, end up VOTING NO, then members' current conditions remain the same and negotiations continue. CPSU NSW will be focusing in developing a pay and classification structure that is a lot fairer for all employees, and provide genuine benefits, transparency and equal base pay rises for everyone, leaving no-one behind.

Please share this email with your colleagues, ask your colleagues to [JOIN the CPSU NSW](#) (also known as the Public Service Association of NSW) and help achieve a better outcome for everyone.

CPSU NSW members are also members of the Public Service Association of NSW. The PSA is the Associated Body for, and resources and manages, the CPSU NSW.
