Southern Cross University – Log of claims survey

CPSU NSW wishes all members a very Happy New Year; welcome to 2018!

Your current enterprise agreement expires this year, and the CPSU NSW bargaining team will be meeting with management on 12 February to begin negotiations for its replacement.

Before this can happen, we need to decide what claims we would like to make.

We will be holding an online survey to decide what goes into our log of claims. This is your chance to tell us which of your current conditions you love, which you'd like to see changed, and any new things you'd like to see added. Please follow the link [HERE](#), and have your say.

The survey will close at 5pm on Wednesday, 24 January.

Once the results are gathered, a copy of the final log of claims will be distributed prior to our first enterprise bargaining meeting on 12 February.
