## Queanbeyan member update

PSA/CPSU NSW members in the area are requested to attend and support your local TAFE. During the past several years, the closing of sections in your regional area of TAFE NSW has had a devastating effect on your local community.

TAFE NSW in the regions provides an income for the local business as and as it grows so do the community, close a college and you are closing down opportunity and hope.

Bryce Wilson, Monaro Labor Candidate, is well aware of this and wants to help build TAFE again join him and your community.

On Wednesday 21 March at 4.30 pm, Bryce Wilson will be addressing the Media at Queanbeyan TAFE College.

Your attendance and support for TAFE will be greatly appreciated.
