# May Day

**The day all unions and workers unite to celebrate our achievements and recognise the struggle of all workers around the world.**

## **What we've achieved:**

- 8 hour working day
- Workers' Compensation if you are injured at work
- Awards – set pay for set work
- Sick Leave
- Annual Leave
- Penalty Rates
- Long Service Leave
- Equal Pay for Women
- Unfair Dismissal
- Meal and Rest Breaks
- Superannuation
- Collective Bargaining
- Parental Leave
- Redundancy Pay – extra pay if your employer makes you redundant

## **But there's still more work to be done!**

- Wage growth is at a 70 year low- Wage theft is at an all-time high
- Rising income inequality, housing and rental affordability
- Casualisation of work and underemployment is at epidemic levels
- Closing the Gender Pay Gap
- The right to strike is being stripped away

**It's clear the rules are broken and the system is stacked against everyday Australians.**

*This May Day workers will rally together to say*

*It's Time to #ChangeTheRules. It's time to stand up and fight back.*

**Sunday 6 May @ 11am • Hyde Park North**

**It's time to restore power to the people, join the movement to Change the Rules:**
