

## University of Newcastle – Enterprise Bargaining update

Your CPSU NSW Professional Staff Bargaining Team met with management on 6 June 2018 to continue negotiating for your rights and entitlements through Enterprise Bargaining.

Clauses discussed included:

- » Dispute Resolution
- » Staff Development
- » Study Leave
- » Flexibility
- » Staff Induction
- » Fixed Term Conversion

With In-Principle Agreement reached in relation to Study leave and an undertaking by the University to include information in relation to the Union in staff inductions.

Your Bargaining Team will come back on Dispute Resolution and Flexibility at the next meeting. Management will respond to Fixed Term Conversion and Staff Development.

We are coming closer to an agreed outcome on outstanding clauses but are not there yet. The next meeting, on 13 June, will be a whole-day meeting in an attempt to bring bargaining closer to completion.

### Become involved

Contact your bargaining representatives to discuss any concerns you have, and please feel free to request a workplace meeting. At the end of the negotiation you will be asked to vote on the package and we want that to be an informed and deliberate vote by staff whose working lives are covered by the Agreement. Ask your colleagues to stand with you by **JOINING** CPSU NSW today.
