

CPSU NSW update on Joint Consultative Committee meeting 8th June 2018

The CPSU NSW has attached the minutes of the last Joint Consultative Committee (8/6/18) to this bulletin.

The minutes are supposed to be posted on Forestry Corporation NSW's intranet site, but as they are not there we have attached for our members to view.

The next JCC will be held on: 25th September 2018.

In attendance representing the CPSU NSW members are:

- » Nigel Fuller
- » Stephen Campbell
- » Maryanne Stuart CPSU NSW Organiser and
- » Rachel O'Shea CPSU NSW Industrial Officer

We are placing on the September Agenda:

1. Salary Progression - response to our proposal
2. Great Koala Park – job security/impact etc – update
3. Agenda and minutes for JCCs to be posted on the intranet
4. Telematics – a process chart for Vehicle Incident and Driver Responsibility Management process and also Driver Behaviour Management
5. Safety Leadership Engagement – members concern that these are only processed in the last three months of the Financial Year, rather than continually throughout the year, which may affect outcomes
