CPSU NSW UOW Branch President Mark Spence Gives a Passionate Speech at the Wollongong Change The Rules Rally

Yesterday many CPSU NSW members from University of Wollongong attended the ACTU and South Coast Labour Council's rally in Wollongong mall. Unions from all over the Illawarra attended and spoke to the importance of changes required to enable Australians to be better represented in their workplaces and for improved pay and conditions.

A highlight of the event was our own CPSU NSW UOW Branch President Mark Spence passionately addressing the crowd of hundreds of supporters. The full video of Mark's speech is available on the CPSU NSW Facebook page [here](#).

Please remember to like the CPSU NSW Facebook page for regular updates.

The Wollongong rally was a strong reminder that when workers come together we can affect real change in our workplaces for ourselves and future generations. We all need to remind our colleagues of the need to join the union and to contribute to the collective voice of all university Professional Staff.

Do you support your Union, the Professional Staff Union?

Do you believe in a strong voice for Professional Staff, helping to ensure our voices are not lost amongst the academia?

Then direct your colleagues to this [link](#) and help grow your power as the CPSU NSW, the Professional Staff union at UoW.

You can find more information about CPSU NSW activity at the University of Wollongong [here](#).
