CPSU NSW; your union for the AUSTRALIAN HEALTH PRACTITIONER REG. AGENCY

My name is Graydon and I'm an Industrial Officer for the CPSU NSW. I have recently been given AHPRA as part of my portfolio.

With your Enterprise Agreement starting the bargaining period, it's important for you to be able to contact the CPSU NSW with any questions or queries you may have and to provide your feedback for the process to be effective.

Please take the time to fill out the Claims Survey found [HERE](#) to give us your feedback to give the CPSU clear direction on the Enterprise Agreement. As a national union, CPSU has branches in each state and is coordinating the negotiations for all CPSU members across the country.

Forward this survey to your colleagues in NSW, so they can know what it means to belong to the CPSU. You can ask them to JOIN your CPSU at the same time online [HERE](#).

I will be attending your workplace in the near future to hold discussions with Members and potential Members and to answer any questions you may have.

If you don't have a local Delegate and would like to become more involved with the CPSU NSW and your workplace, please contact your CPSU-NSW Organiser or the Member Support Centre on **1300 772 679**

Ask your colleagues to stand with you by joining CPSU NSW today. They can join online [HERE](#).

If you want an Organiser to attend your workplace, please email membersupport@psa.asn.au.
