

Scope Order Hearing

As many of you would know from our bulletins updating you regarding the Australian Unity bargaining meetings, the CPSU NSW lodged a scope order with the Fair Work Commission on our member's behalf.

The matter has proceeded, both the CPSU NSW and Australian Unity have lodged their evidence with the hearing to take place on 26 February 2019.

We understand how important this issue is to members and we will keep you updated and let you know what the decision means for you. Keep a look out.

If you would like to know more about the scope order, please look at the CPSU NSW bulletin to members on 17 January 2019.

For those who are not members, this is the time to join and support the fight to retain your employment conditions and pay, and bring all administrative workers onto the one Agreement and are paid fairly and equally when doing the same work.

If you would like further information or would like to assist, please contact the CPSU NSW on **1300 772 679** or email
