Dear Dr McLeish,

Re: TAFE Modernisation

The Community and Public Sector Union (CPSU NSW) appreciates that TAFENSW is undergoing its modernisation program as directed by the NSW Government.

For the CPSU-NSW, it is important that details on TAFE's transitional plan and any update on the remaining areas of the organisation that are yet to be finalised as part of the program, are communicated to the union and TAFE staff as a priority.

It is apparent to the Union that many of your administrative and support staff are experiencing anxiety and unease concerning their futures within the organisation; this is owing to the ongoing lack of clarity of information distributed to staff.

Specifically, clarity is sought, particularly on timelines, on the following areas:

- Group 4 finalisation
- Planned implementation of SMS and Group 6

It is requested you address the above issues, including concerns from Union delegates, at the forthcoming Peak Consultative Group meeting next month. Please contact the CPSU NSW Industrial Officer Matthew Drake-Brockman on m Drake-brockman@psa.asn.au or 0408029925 in relation to this matter.

Yours sincerely,
