

CPSU NSW – Northcott change announcement

The CPSU NSW has been advised that there will be meetings with MARs, CARs and Team Leaders within the Northcott Supported Living (NSL) as well as Nursing Manager and Northcott Service Managers and Service Co-Ordinators on Monday 15 July 2019.

While we have not been advised of the content of the meetings, we have been told it's relating to proposed changes to the operating model of NSL.

This will not impact on your Copied State Award conditions or take-home pay. Your conditions and wages are secure until a new Enterprise Agreement is negotiated, voted on and then approved by the Fair Work Commission.

CPSU NSW representatives will be available at Northcott Parramatta and Albury Offices on Monday 15 July to assist, offer support and answer the questions that we can.

We will provide further information as it comes to hand and will endeavour to answer any questions you may have.

This will begin a process of consultation. The proposal may not be the final model and your feedback, suggestions and input will influence the proposed model, it's implementation and impact. We strongly advise that you provide us with your suggestions and concerns regarding the proposed changes.

If you don't have a local Delegate and would like to become more involved with the CPSU NSW and your workplace, please contact your CPSU NSW Organiser or the Member Support Centre on 1300 772 679
