NORTHCOTT TO MEET WITH TEAM LEADERS OVER CHANGE PROPOSAL

Northcott will meet with Team Leaders (TLs) over coming weeks to explain why they want to cut staff wages by more than \$20,000 a year.

The one-on-one meetings with TLs are an opportunity for staff to discuss the proposed changes to their role and the company's operating model. These meetings are an information gathering session only, as the consultation period has only just started.

You do not have to agree to anything at this time or during the meeting.

Take the information away. Think about it. Discuss it with your family and financial advisor. Ask questions and provide written feedback to Northcott and the CPSU NSW.

We will continue to collate your feedback and information relating to the proposed changes to provide to Northcott. If you are not comfortable putting your concerns to Northcott, we can include it in our correspondence.

If you would like a CPSU NSW representative to attend the meeting with you, please contact our Member Support Centre on 1300 772 679 or membersupport@psa.asn.au with the date and time of your appointment. We will do our best to have a representative available, however, with so many meetings, we may already be booked.
