Community Living Award error update

In October the CPSU NSW wrote to ARUMA on behalf of 31 staff who had been incorrectly taken off the Community Living Award (the Copied-state award) and asked the company to correct the error.

This email is to advise you that we have now received a response from ARUMA.

ARUMA has confirmed the following:

- a) The employee's employment will be immediately subject to the terms and conditions of the copied state award
- b) All the terms and conditions of the copied state award will apply
- c) Any back-pay owing will be processed, and the figures will be updated accordingly to the date of payment
- d) The current mode/status of employment remains unchanged.

ARUMA has stated it will provide an impact statement for each employee within four weeks.

Attached is a copy of ARUMA's letter for your records (noting we have removed list of employee names for privacy reasons).
