 - (c) Any leave of absence without pay exceeding five (5) days in any incremental year.
4. Fixed-term employees shall be entitled to incremental progression on a pro-rata basis under this clause, on completion of twelve (12) months service (whether in continuous or in broken periods).

22. Job Rotation

The parties acknowledge that from time to time, the Company may require staff to undertake duties in a position other than that to which they are normally assigned. Where this occurs, the employee concerned shall receive appropriate instruction/training to enable him/her to carry out the duties of the position to which he/she is transferred. However, where a short term arrangement is involved this will be for a period no longer than six (6) months. The staff member will normally return to their previous position after the period of job rotation has ceased. This rotation will not be detrimental to the interests of the staff member.

Where it is proposed to transfer an employee to an alternative position for a period in excess of six (6) months, management shall consider whether it might be more effective to engage casual staff rather than undertake a transfer.

23. Leave – Annual

1. Employees other than casual employees are entitled to twenty (20) days annual leave for each year of service on full pay (as defined in the Fair Work Act 2009 as amended), in addition to any Public Holiday occurring during such period of annual leave.
2. Casual employees are paid additional loadings on the prescribed hourly rate applicable to the classification in lieu of leave entitlements in accordance with Clause 38 (3) of this Agreement.
3. Annual leave shall accrue from day to day.
4. Annual leave may be granted before or after the completion of each twelve (12) months service in broken periods by agreement between the Company and the employee, provided that the period of annual leave granted shall not exceed the proportion of the year's annual leave which the employee has accrued at the date of the commencement of the annual leave.
5. Subject to this Clause, accrued annual leave may be approved to be taken at any time. Leave will be on full pay (at the ordinary rate of pay) in addition to any public holiday occurring during such period of annual leave.
6. Subject to operational requirements, in each year of service, 1 week of annual leave on full pay may be taken as 2 weeks annual leave on half-pay. Leave can be taken as two (2) separate one (1) week blocks. This is not available to employees who have an accrued entitlement of more than 4 weeks annual leave.
7. Applications for annual leave are to be submitted by all employees for approval in advance of the commencing date of the leave. The approvals will be recorded in ConnX and information on available unused balances will be shown on the pay advice and in ConnX.
8. In the event of the death of any employee, the monetary value of all annual leave for which the employee was eligible at the time of death, shall be paid to their legal personal representative, unless paid by the Company to the employee's widow, widower, defacto, or same sex partner or to the guardian of the infant children of the employee.

9. The Company may direct an employee to take at such time as is convenient to the working of the Company, annual leave for which the employee is eligible, but as far as practicable the wishes of the employee concerned shall be taken into consideration when fixing the time for the taking of annual leave. The Company must give the employee one (1) month's notice, prior to the instruction to take annual leave.
10. If an employee does not avail themselves of the full amount of annual leave accrued to them, each year, the Company may allow on the approval of the Managing Director, the annual leave to accumulate up to a maximum of fifty (50) days entitlement.
11. An employee shall take at least two (2) weeks of annual leave every twelve (12) months, except by agreement with the Managing Director in special circumstances.
12. The Company may notify the employee in writing when accrued annual leave reaches eight (8) weeks or its hourly equivalent, and at the same time may direct an employee to take at least two (2) weeks annual leave within three (3) months of the notification, at a time convenient to the Company.
13. The Company may notify the employee in writing when accrued annual leave reaches ten (10) weeks or its hourly equivalent, and direct the employee to take at least two (2) weeks annual leave within six (6) weeks of the notification. Such leave is to be taken at a time convenient to the Company.
14. UAC is committed to ensuring that all staff utilise their annual leave entitlements as far as possible on a yearly basis. UAC will permit the cashing out of annual leave in certain circumstances as described below;
 - (a) On one occasion only during the life of this Agreement, up to 2 weeks leave may be cashed out if an employee accumulates more than 4 weeks annual leave. This will be permitted if the employee also takes an equivalent amount of leave within 12 months of the date on which leave was cashed out.
 - (b) The cashing out must not result in the employee's remaining accrued entitlement being less than 4 weeks.
 - (c) Additional cashing out of leave accrued may be approved by the Managing Director if the employee concerned can reasonably argue that he/she has been unable to take leave because of the business needs of the organisation.
 - (d) An election to cash out leave must be in writing and specify the amount of leave to be cashed out and the preferred payroll

fortnight. The election to cash out leave must also be accompanied by a leave request as set out in 14a) above.

15. If an employee has been absent from duty on leave without pay (including parental leave without pay) for more than five (5) working days in total in any calendar year, the period of absence from duty on leave without pay will not be counted as service for the purpose of determining eligibility for annual leave in that year.
16. Annual leave will accrue in respect of a period of leave without pay granted to an employee due to incapacity, for which compensation has been authorised under the *Workplace Injury Management and Workers' Compensation Act 1998*, as amended.
17. When an employee is sick whilst on annual leave, the Managing Director will approve the use of available sick leave on production of a medical certificate and the employee will be re-credited with the annual leave. No such re-credit will be granted, however, where the employee is on leave immediately prior to retirement, resignation or termination of service.

24. Leave – Annual Loading

1. Employees other than casual employees and the SEG, shall be granted an annual leave loading equivalent to seventeen point five percent (17.5%) of four (4) weeks ordinary rate of pay (for this purpose “ordinary rate of pay” shall be as defined in Clause 10).
2. All permanent employees shall receive the loading on the first pay period in December.
3. All fixed term employees shall receive the loading in the last pay period of the fixed term employment contract. The payment will be applicable to the number of hours of accrued annual leave during the term of the fixed-term contract as at the date of termination. Where the fixed-term period of employment extends beyond twelve (12) months, the annual leave loading shall be paid in the same manner as for permanent employees.
4. Upon retirement or termination by the Company for any reasons other than serious and wilful misconduct, an employee who has not been paid an annual leave loading to which he/she is entitled shall be paid the loading which would have been payable had the retirement or termination not occurred.
5. Broken service during a year does not attract the annual leave loading. If an employee resigns and is subsequently re-employed during the same year, only the service from the date of re-employment attracts the annual leave loading, subject to the foregoing conditions.

6. Part-time employees who satisfy the foregoing conditions are eligible for the annual leave loading.
7. Leave loading payments shall be limited to a maximum of the amount payable as leave loading to an employee receiving Grade 10 (Step 1) of the Company Salary Schedules.

25. Leave – Assisting in Emergencies and Disasters

1. Leave with pay may be granted by the Managing Director to an employee who is a volunteer of the State Emergency Service, St John Ambulance Brigade, Rural Fire Service or any other similar organisation and who is absent from duty as a result of their attendance at an emergency, provided that:
 - (a) The employee advises the Company as soon as possible after call-in and provides an estimate of the duration of the absence;
 - (b) The employee is not required for the Company's own essential operations and/or emergency services; and
 - (c) The voluntary organisation requiring the employee's services certifies that the person is or was required for the specified period.

26. Career Development Leave

1. Employees will be entitled to the option of converting, on a voluntary basis, up to five (5) days of their sick leave entitlement per annum to 'Career Development Leave'. Employees will not be penalised or disadvantaged by the process of conversion and the Company is to ensure sick leave provisions are in place as outlined in Clause 32.
2. No existing rights, benefits or conditions concerning employee development and study leave provisions will be diminished as a result of this Clause. Career development leave will be in addition to the Company's existing study leave and other employee development policies.

27. Carer's Leave

1. Paid sick leave to the extent of five (5) days during each year of service, to accrue to a maximum of ten (10) days will be paid in the following circumstances:

- (a) To an employee who has responsibilities for, and is required to care for or support the following persons when they are ill or injured:
 - i. A spouse;
 - ii. A child or an adult child (including an adopted or fostered child, a step child or an ex nuptial child), parent, grandparent, grandchild or sibling; or
 - iii. A member of their household,
 - (b) To an employee who, as a grandparent, is required to support the primary carer of a newborn or adopted grandchild, provided that it is within three (3) months of the birth or placement of the child.
2. In the context of sub-clause 1a) above, an employee must, if required establish that the person concerned is ill by the production of a medical certificate or statutory declaration.
- In the context of sub-clause 1b) above, the employee must demonstrate that the support required arises out of a genuine need to provide care for the child where the primary carer cannot reasonably care for the child.
3. Additional paid carer's leave from accrued sick leave entitlements may be granted where leave is required and the employee has exhausted their paid carer's leave entitlement.
4. The Managing Director shall approve all leave granted under this clause.

28. Leave – Defence Forces Reserves Training

1. Employees who serve on a part-time basis in the Defence Forces Reserves are to be granted military leave in each Military Leave Year (i.e. 1 July to 30 June) on the following basis:

 - Air Force Reserve – Sixteen (16) calendar days on full pay.
- 2. The employee will provide evidence of membership of the Reserves and the necessity for the leave with the application.
- 3. When the Commanding Officer of a unit of the Reserves in which a employee serves certifies in writing that it is necessary for the employee to attend for the purposes of obligatory training on days additional to those specified in Subclause 1, the Company may grant leave of absence to the employee for a further period not exceeding four (4) calendar days in any one (1) military leave year.
- 4. When in the opinion of the Company it would not be in the Company's interest to grant a employee leave of absence to attend at an annual training or at a school, class or course of instruction, such leave may be refused but the Company will grant leave of absence to the employee to attend at an equivalent training or at an equivalent school, class or course.
- 5. At the option of the employee, any leave required in excess of that provided for in Subclauses 1 or 3 may be taken as either or both annual leave or leave without pay.

29. Leave – Family and Community Services (FACS)

- 1. Up to three (3) days leave during each year of service, to accrue to a maximum of six (6) days, may be granted to employees to meet family and community services activities, responsibilities, and obligations including those relating to cultural, religious or ceremonial days of observance.
- 2. An employee who is experiencing domestic violence will have access to ten (10) days domestic violence leave, in addition to existing FACS leave under this clause for the purposes of dealing with related issues. The employee concerned may be required to provide supporting documentation.

3. An employee will be entitled to an additional two (2) days FACS Leave for each occasion when a member of the employee's family or a member of the employee's household (as defined in the UAC Family and Community Services (FACS) Leave Policy and Procedures):
 - (a) contracts or develops a personal illness that poses a serious threat to his or her life; or
 - (b) sustains a personal injury that poses a serious threat to his or her life; or
 - (c) dies.
4. Additionally, employees who have completed twelve (12) months service may convert up to five (5) days of their accumulated sick leave to FACS Leave within any twelve-month period in exceptional circumstances and upon documentary evidence. Such days shall be deducted from the accumulated sick leave of the employee concerned.
5. The Managing Director shall approve all leave granted under this clause.

30. (A) Leave – Long Service

- 1
 - (a) For the purpose of this clause continuous service when applied to a permanent employee means service without a break of more than 12 months.
 - (b) For the purpose of this clause continuous service when applied to a fixed-term employee means service comprised of consecutive fixed-term contracts without a break of more than 18 months.
 - (c) The conditions set out in (a) and (b) above do not apply to the prior service of staff who were employed on 14 September 2010 when the previous Agreement (2010-2013) came into force. The conditions however do apply to all future service of the above employees.
 - (d) In exceptional circumstances the Managing Director may agree to recognise breaks in service greater than those prescribed above for the purposes of long service leave entitlements.
2. An employee (except a casual employee) having completed a period of continuous service with the Company as defined above will be eligible for long service leave as follows:
 - (a) On completion of ten (10) years full-time service – three (3) months leave on full pay or six (6) months on half pay. Leave

accrues at the rate of one (1) calendar day of long service leave for forty (40) calendar days worked;

- (b) On completion of fifteen (15) years full-time service – four point five (4.5) months on full pay or nine (9) months on half pay. Leave accrues proportionately at the same rate as the first ten (10) years service; and
 - (c) After fifteen (15) years full time service leave accrues at the rate of fifteen point two two (15.22) calendar days per year of service.
- 3. Fixed term employees shall be eligible for long service leave on completion of ten years service. Leave taken shall be paid on a pro rata basis. Example: a fixed term employee having worked for 10 years at 6 months per year with the Company would be entitled to long service leave prorated to 1.5 months leave on full pay or 3 months leave on half pay.
- 4. Part time employees shall be eligible for long service leave on completion of ten years service. Leave taken shall be paid on a pro rata basis. Example: a part time employee having worked for 10 years on 17.5 hours week with the Company would be entitled to long service leave prorated to 3 months leave at 17.5 hours per week or 6 months leave at 8.75 hours per week.
- 5. If an employee has an entitlement to long service leave under Subclause 2, but prior to entering upon such leave has her or his employment terminated by dismissal or resigns, they will be entitled to receive the monetary value of the leave at credit.
- 6. When an employee has completed at least five (5) years but less than ten (10) years service and their services are terminated:
 - (a) By the Company for any reason other than for serious or wilful misconduct; or
 - (b) By the employee on account of:
 - retirement, or
 - illness or incapacity, or
 - domestic or other pressing necessity, or
 - (c) By the death of the employee,

the employee will be entitled to a proportionate amount of long service leave as in Subclause 1 on the basis of two (2) months leave for ten (10) years

service. For the purposes of the application of this provision, it shall be interpreted in the same manner as the similar provision in the *New South Wales Long Service Leave Act, 1955*, as amended.

7. Fixed-term and Permanent employees who have worked as casual staff are eligible for long service leave in respect of any casual employment with the Company from 9 May 1985 onwards.
8. In the event of the death of any employee, the monetary value of all long service leave for which the employee was eligible at the time of death shall be paid to their legal personal representative, unless paid by the Company to the employee's widow or widower or to the guardian of the infant children of the employee in accordance with UAC's legal obligations.
 - (a) For the purpose of calculating eligible service:
 - i. Where any period (or periods) of leave without pay granted to the employee exceeds an aggregate of six (6) months, the excess over six (6) months will not be taken into account in determining length of service;
 - ii. Where an employee is granted leave for service in the Defence Forces, such service will be counted as ordinary service in computing long service leave;
 - iii. Service at other Universities will be taken into account in accordance with Subclause 7.
 - (b) Service with the Company, after retirement in accordance with Clause 30, sub-clause 6 of this Agreement shall not count as service for the purpose of long service leave, under this Agreement.
9. Only employees employed prior to the commencement of the UAC Enterprise Agreement 2017-2020 will have prior continuous paid service recognised. For these employees, long service leave shall be determined by taking into account prior continuous paid service with (a) an Australian higher education institution (ie Universities, previous Colleges of Advanced Education and TAFE) and (b) a University partially or wholly owned company. Provided that:
 - (a) Prior continuous full-time paid service with an Australian University prior to 1 January 1969, shall not be taken into account when determining eligibility for long service leave.
 - (b) If an employee has taken long service leave or is eligible to be paid or has been paid in lieu of long service leave by the releasing University or University company, they will not accrue any entitlement to leave for the period of service with the releasing

University, or University company, for which leave has been taken, paid or for which there is eligibility for payment, but subject to these conditions such a period shall be included as qualifying service for determining when they are eligible to take long service leave under this Agreement.

- (c) There is not more than three (3) months between the cessation of employment with a releasing university, or university company, and the commencement of employment with the Company, in which case continuity of service will be deemed not to have been broken for the purposes of long service leave, however the period between the two (2) contracts of employment shall not be taken into account in determining length of service for long service leave.
- (d) The employee will be required to serve at least five (5) years with the Company under this Agreement before being permitted to take accrued long service leave or be paid in lieu on termination of employment, except that in eligible cases, payment in lieu of such leave will be made when an employee (a) dies, (b) retires on or after sixty (60) years of age or such other age as the retirement provisions of the NSW Superannuation Act may provide, or (c) receives an invalid or breakdown pension under the provisions of *the NSW Superannuation Act*.

(B) Leave – Taking Long Service

- 1. Long service leave may be taken with at least one (1) month's written notice or, in the absence of such notice, the agreement of the Managing Director.
- 2. Where an application for long service leave is for a period of one (1) month or less, such leave will be taken as a minimum period of seven (7) calendar days or in multiples of seven (7) calendar days, unless special circumstances exist.
- 3. An employee may apply to take long service leave on half pay, which reduces the accrued long service leave eligibility by half ($\frac{1}{2}$) the period taken. Applications will be assessed on a case by case basis by the Managing Director.
- 4. If an employee produces a medical certificate which satisfies the Company that they were incapacitated for a period of one (1) week or more whilst on long service leave, the Company may re-credit the staff member with an equivalent period of long service leave provided that no such re-credit will be granted to an employee on leave immediately prior to retirement, resignation or termination of service.
- 5. When an employee dies before entering upon any such long service leave or if after having entered upon their leave dies before its termination, the monetary value of the leave not taken or not completed

(and not paid in advance) and computed at the rate of salary the employee was receiving at the time of their death will be paid to their legal personal representative, unless paid by the Company to the employee's widower or widow or to the guardian of the infant children of the employee in accordance with UAC's legal obligations.

6. The Company may direct an employee with long service leave accruals exceeding four point five (4.5) months to proceed on long service leave of up to three (3) months provided that:
 - (a) Twelve (12) months' minimum written notice is given;
 - (b) The minimum period which may be required to be taken is six (6) weeks;
 - (c) And the employee will not be required to take a further period of long service leave for a period of two (2) years after the end of that leave.
7. The Company will not normally require an employee who has made a formal commitment to retire at a given date to take long service leave during their last five (5) years of employment with the Company.
8. Similarly, where an employee makes a compelling case for a deferral of the requirements of Subclause 6 because that employee has firm plans to take such accrued leave at a particular future point in time, the Company may approve the deferral.

31. Leave – Parental

1. Subject to the terms of this clause, all full-time, part-time and fixed-term employees are entitled to parental leave (Maternity Leave, Primary Carer Leave, Partner Leave, and Adoption Leave) in connection with the birth or adoption of a child. There is no limit to the number of times an employee may take parental leave.
2. The total absence on parental leave shall not exceed fifty-two (52) weeks from the date of commencement of such leave and must be completed before the child's first birthday or anniversary of adoption.
3. An employee and his or her spouse, where both are employed by UAC, may not take parental leave at the same time, except where the spouse is on a period of Partner Leave.
4. An employee may take parental leave in the following manner:
 - (a) Maternity leave; taken during or after pregnancy;
 - (b) Partner leave; taken at the time of birth or placement of the child

(within a period of 3 weeks before and 12 months after the event).

- (c) Primary Carer Leave; if the employee is to be the child's primary care giver in the event the employee's partner is unable to care for the child due to a personal illness, a personal injury, death or other exceptional circumstance.
 - (d) Adoption leave taken at the time of placement taken in order to be the child's primary caregiver.
- 5. An employee cannot be forced to take parental leave unless it is within six (6) weeks of the birth and the employee does not provide the Company with a requested medical certificate or if the medical certificate states the employee is not fit for work.
- 6. An employee must give to the Company:
 - (a) At least ten (10) weeks written notice of the intention to take parental leave; and
 - (b) At least four (4) weeks (14 days for adoption leave – where possible) written notice of when they wish to start and end the leave.
- 7. Before commencing parental leave, the employee must provide any of the following documents if required:
 - (a) A medical certificate confirming the pregnancy and expected date of birth or a notice from the adoption agency stating the date of placement;
 - (b) A statutory declaration stating any parental leave sought by the spouse;
 - (c) A statutory declaration stating that the employee will be the child's primary caregiver;
 - (d) A medical certificate confirming the employee's partner has contracted or developed a personal illness or sustained a personal injury and is unable to care for the child or other supporting documentation in the context of an exceptional circumstance (primary carer leave only).
- 8. Parental leave may be lengthened once without the Company's consent, by the employee giving at least fourteen (14) days written notice. The Company and employee must agree to any further extension. Parental leave may be shortened if the Company consents and the employee gives at least fourteen (14) days written notice.

9. By mutual agreement between the Company and the employee, an employee can interrupt parental leave and return to work on a full-time, part-time or casual basis. Both the company and the employee have the right of refusal to such a request. This does not affect the employee's right to return to parental leave. However, the employee must still complete the period of leave by the child's first birthday or anniversary of adoption.
10. Where leave entitlements cannot be completed within 52 weeks from the date of commencement of leave, residual leave balances will be paid out by the Company where the interruption is initiated by the Company.
11. Sick leave is not paid while on parental leave, unless the Company agrees.
12. An employee seeking adoption leave is entitled to access FACS leave to attend compulsory interviews associated with the adoption.
13. Where there are risks associated with pregnancy or breast-feeding, the Company is to adjust the working conditions or hours of work or transfer the employee to other appropriate work. The new position must be comparable in pay and status. Any such risks are to be judged by the employee's medical practitioner. Where it is not feasible to transfer the employee or adjust the working conditions, an employee must be granted access to any and all paid leave entitlements, and granted a period of unpaid "special Maternity Leave" if requested by the employee.
14. The employee is entitled to return to the position they held immediately before commencing parental leave, except where the position was changed due to risks associated with the pregnancy (as prescribed in sub-clause 13) in which case the employee is entitled to return to the position held before the change. Employees are entitled to access flexible working arrangements in accordance with Clause 18 (including returning to work in a part-time capacity) upon their return to work.
15. Parental leave does not break the continuity of service with the Company. However, unpaid parental leave will not count for long service or other leave entitlements.
16. Parental leave will be paid at the following rates:
 - (a) Maternity and Adoption leave:
 - i. For employees with more than 24 months continuous service 14 weeks on full pay and 19 weeks full pay which may be taken as 38 weeks on 0.5 pay
 - ii. For employees with more than 12 months but less than 24

months continuous service – 12 weeks on full pay which may be taken as 24 weeks on 0.5 pay

- iii. For employees with less than 12 months service – 1 week on full pay for every 4 weeks of service.
 - (b) Partner Leave – 6 weeks on full pay
 - (c) Primary Carer Leave – Maternity and Adoption Leave entitlements above less any paid Partner Leave already taken.
 - (d) The above entitlements are calculated on a pro-rata basis for fixed-term employees
17. If the contract of a fixed-term employee on paid parental leave expires before that employee has used all paid parental leave, the balance will be paid as a lump sum provided that the employee has completed at least 12 months continuous paid service with UAC prior to the commencement of the paid parental leave.
18. Payment of a lump sum does not extend the period of the fixed-term contract.

32. Leave – Sick

1. An employee (other than a casual employee) who has completed three (3) months service and who satisfies the Company that he/she is unable to perform his or her duties by reason of personal illness or personal incapacity shall, subject to the conditions specified in this clause, be entitled, during such illness or incapacity, to paid sick leave. For the purpose of this clause one (1) year of employment means a yearly cycle starting from the date of employment.
- (a) Permanent full-time employees shall be entitled to the following paid sick leave conditions:
 - i. For first year of service two (2) weeks (10 days) paid sick leave.
 - ii. On completion of first year of service a permanent employee will be entitled to ten (10) weeks (50 days) paid sick leave in addition to any sick leave entitlement remaining from their two (2) weeks (10 days) entitlement.
 - iii. Thereafter on the completion of each year of service a permanent employee shall be entitled to ten (10) weeks (50 days) paid sick leave in addition to existing sick leave entitlements subject to the condition that the maximum

accrual of paid sick leave is based at twenty (20) weeks (100 days).

- iv. After 20 years employment an employee is entitled to the following if it is more advantageous to the employee than their existing entitlements under subclauses i to iii above:
 - Two (2) weeks (10 days) paid sick leave for each year of employment
 - The maximum paid sick leave which may be granted to an employee under this subclause will be the equivalent of one (1) calendar year.
 - (b) Fixed term employees shall be entitled to be paid sick leave on a pro rata basis subject to the accumulation limits in clause 1a).
 2. New employees are not entitled to paid sick leave during the first three (3) months of service unless special approval is granted. Fixed term staff with previous fixed term service with the Company who commence new fixed term employment contracts are not to be classified as new employees for this purpose.
 3. (a) An employee may take up to five (5) separate absences on sick leave in one (1) year of employment without providing a medical certificate. If they have more than five (5) separate absences on sick leave they must provide a medical certificate for each additional absence.
 - (b) If an absence is for more than three (3) consecutive days, an employee must provide a medical certificate stating the employee is unable to attend work for the relevant period of time due to illness or incapacity.
 - (c) If an employee has taken more than four (4) weeks sick leave in any one (1) year of employment the Company may require the employee to be examined by Medibank Health Solutions for an opinion on the employee's medical condition.
- The Managing Director may waive the requirements of this sub-clause 3.
4. An employee may apply for additional sick leave if they are seriously ill and suffering substantial hardship and have used up all their sick leave entitlement. They must apply in writing to the Managing Director giving supportive evidence including a medical certificate.

5. Employees who are injured at work or on the way to or from work and submit a workers compensation claim may be paid from their sick leave entitlements pending the determination of the claim. This is subject to the provisions of the employee submitting an acceptable medical certificate and also that there are no known reasons to doubt the genuineness of the claim. When the claim has been approved then the employee's sick leave entitlements can be re-credited.
6. An employee absent from duty due to personal illness or personal incapacity shall as far as practicable:
 - (a) Inform the Company by 10.00 am on the first day of the absence of their inability to attend for duty.
 - (b) State the estimated duration of the absence.
7. All information received regarding an illness shall be treated as strictly confidential.
8. The Sick Leave Standard Operating Procedure document should be read in conjunction with this clause, but does not form part of this Agreement.

33. Leave – Sick, Workers' Compensation

1. Human Resources shall advise each employee of the rights under the *Workers' Compensation Act 1987*, as amended from time to time, and shall give such assistance and advice, as necessary, in the lodging of any claim.
2. An employee who is or becomes unable to attend for duty or to continue on duty in circumstances which may give the employee a right to claim compensation under the *Workers' Compensation Act 1987*, may be required to lodge a claim for any such compensation.
3. Where, due to the illness or injury, the employee is unable to lodge such a claim in person, the Human Resources Manager shall assist the employee or the representative of the employee, as required, to lodge a claim for any such compensation.
4. The Human Resources Manager will ensure that, once received by the Company, an employee's worker's compensation claim is lodged by the Company with the workers' compensation insurer within the statutory period prescribed in the *Workers' Compensation Act 1987*.
5. An employee may be required to submit to a medical examination under the *Workers Compensation Act 1987* in relation to a claim for compensation under that Act.

6. If the claim is rejected within seven (7) days or the employee notifies the Company that they do not intend to make a claim for any such compensation, and on production of an acceptable medical certificate, the Company shall grant sick leave on full pay for which the employee is eligible followed, if necessary, by sick leave without pay or, at the employee's election by accrued annual leave or long service leave.
7. If liability for the workers compensation claim is accepted, then an equivalent period of any sick leave taken by the employee pending acceptance of the claim shall be restored to the credit of the employee.
8. Prior to taking action to terminate the employment of a staff member, the Managing Director may offer the staff member the opportunity to submit a resignation and, if such a resignation is offered, shall accept it forthwith and not proceed with action to terminate employment.
- (i) If within fourteen (14) days of the report being made available, the staff member or a person acting on their behalf so requests, the Managing Director shall not terminate the employment of the staff member in accordance with Subclause 1(h) above, unless and until the findings of the report are confirmed by an occupational physician who is a registered member of the Australasian Faculty of Occupational Medicine, and who shall be nominated as agreed from the list of consultants on its website, www.racp.edu.au. This physician shall be provided with a report from both the staff member's practitioner and the practitioner who made the initial report under Subclause 1(a) above before making their own assessment report.

In determining what is reasonable, the employee's prior commitments outside the workplace, particularly their family responsibilities, community obligations or study arrangements shall be taken into account. Consideration shall be given also to the urgency of the work required to be performed during overtime, the impact on the operational commitment of the Company and the effect on clients.

1. When overtime is worked as required by the Company, it will be paid at the following rates:

 - (c) The maximum number of hours of time off in lieu of overtime payments that may be accumulated under this Clause, by an employee, shall not exceed three (3) weeks' time in lieu within any

six (6) month period. If the leave has not been taken, it must be paid out at overtime rates as worked.

- (d) Time off which is accumulated pursuant to this Subclause shall be taken at a time mutually agreed upon between the employee concerned and the Company, provided that the time off shall be taken within a period of six (6) months from the time that the overtime was performed.

This Subclause shall not apply in cases where it is customary for an employee to return to the Company's premises to perform pre-arranged overtime, or where the overtime is continuous (subject to a reasonable meal break) with the completion or commencement of normal working time.
- (f) For the purposes of overtime, the maximum number of hours that can be worked each day before overtime applies will be seven (7) hours. Additional times worked to accrue a rostered day off or worked under a Flexible Working Arrangement will alter this provision.

For example, an employee receiving a thirty (30) weeks redundancy payment plus four (4) weeks pay in lieu of notice, may not apply for or be appointed to a position with the Company until thirty (30) weeks has elapsed since the date of termination of employment.

In these circumstances, the RDO shall be taken by the employee at some other time mutually convenient to the SE and the employee.

It is recognised that in a work environment of continuous improvement, changes to jobs and functions within the organisation may result. Should change occur, Management and staff shall work together to ensure that the skills required are gained to enable employees to accept new responsibilities.

Permanent and fixed term employees receiving 20% employer superannuation contributions prior to the commencement of this Agreement, will have their employer superannuation contribution reduced by 1% each year over the life of this Agreement, until it reaches 17%. This reduction will be applied each year at the same time as salary increases (as set out in Clause 51 above).
3. The 17% includes the minimum payment of employer superannuation contribution required to meet Commonwealth Superannuation Guarantee obligations.
4. Staff are permitted to take a portion of their employer superannuation contributions as a cash component of their salary provided that the minimum amount paid as the employer superannuation contribution meets Commonwealth Superannuation Guarantee obligations.

DEFINITIONS

Definition 1: Supervision

Close supervision

Clear and detailed instructions are provided. Tasks are covered by standard procedures. Deviation from procedures or unfamiliar situations are referred to higher levels. Work is regularly checked.

Routine supervision

Direction is provided on the tasks to be undertaken with some latitude to rearrange sequences and discriminate between established methods. Guidance on the approach to standard circumstances is provided in procedures, guidance on the approach to non-standard circumstances is provided by a supervisor.

Checking is selective rather than constant.

General direction

Direction is provided on the assignments to be undertaken, with the occupant determining the appropriate use of established methods, tasks and sequences.

There is some scope to determine an approach in the absence of established procedures or detailed instructions, but guidance is readily available.

Performance is checked by assignment completion.

Broad direction

Direction is provided in terms of objectives which may require the planning of staff, time and material resources for their completion. Limited detailed guidance will be available and the development or modification of procedures by the employee may be required. Performance will be measured against objectives.

Definition 2: Qualifications

Within the Australian Qualifications Framework:

Year 12

Completion of a senior secondary certificate of education, usually in Year 12 of secondary school.

Certificate IV

A course that provides greater breadth and depth of skill and knowledge and is comparable to a two year part-time post-Year 12 or post-trade certificate course.

Diploma

Note: Previously recognised qualifications obtained prior to the implementation of the Australian Qualifications Framework continue to be recognised. The above definitions also include equivalent recognised overseas qualifications.
