

Disability Services update

As 2019 comes to end, the CPSU NSW would like to extend our thanks to all our delegates and members for their support, strength and courage during the year. The union is stronger because of you, in a sometimes challenging environment.

In the clip [HERE](#), CPSU NSW Assistant Secretary, Troy Wright provides an update to all Disability Services members. Please encourage your workmates to watch this clip. If you work with anyone who is not a CPSU NSW member, they can join [HERE](#).

The CPSU NSW wishes all members a safe and happy holiday season.
