

## International Women's Day Rally on March 7 – Sydney Event

The PSA/CPSU NSW will be participating in this year's International Women's Day rally once again. This year we have partnered with our sisters from other unions, the Sydney International Women's Day committee and a chapter of Women's March (a collective organisation from the US) to co-host this event. Many other organisations are attending and all are welcome, so bring your friends, family and supporters. We're hoping to have upwards of 10,000 people from across Sydney and regional areas attend.

2020 is also a celebration of 90 years of Women's Council at the PSA/CPSU NSW and we are proud of our industrial achievements over these years. From Equal Pay cases, Flexible work, Parental leave, Lactation breaks to Family and Domestic Violence Leave.

We have a voice and are proud of our achievements. Come and make your presence felt at this event. Join with your union to celebrate International Women's Day 2020.
