

CPSU NSW Member Survey: Have Your Say on Enterprise Bargaining at NSWALC

As you are probably aware, the current NSWALC enterprise agreement reaches its nominal expiry shortly, and we want to hear from you. Click [HERE](#) for a copy of the current enterprise agreement.

We have put together a short survey to gauge your priorities and interests as we begin the process of bargaining with NSWALC for a new agreement.

Click [HERE](#) and enter your membership number to complete the survey

The Community and Public Sector Union (CPSU NSW) approached NSWALC late last year to discuss negotiation arrangements and protocols. To accommodate staff, leave over Christmas and New Year, we agreed to delay bargaining until February 2020.

Understandably however the NSWALC has spent much of the intervening period focussed on assisting communities effected by an unprecedented bushfire season across NSW, and we have supported the Council in this important work.

In saying that, we are mindful of the need to make a new agreement for NSWALC staff and we have again written to the Council to confirm timeframes. We now expect to commence a formal bargaining process in early April 2020. Click [HERE](#) for a copy of the Council's response to our enquiries

CPSU NSW Members Meeting – Enterprise Bargaining

You are warmly invited to attend a meeting with our Senior Industrial Officer, Thane Pearce and Organiser, Kirra Jackson:

Topic: Enterprise Bargaining

When: 1:00pm - Tuesday, 3 March 2020

Where: Lvl 5 Meeting Room, 33 Argyle Street, Parramatta.

We are conscious that not all members will be able to attend this meeting. If you would like further information about enterprise bargaining, or any other work issue, do not hesitate to call Kirra or Thane on 1300 772 679.
