

How to get in touch with your union

The CPSU NSW knows that there is a lot of stress and uncertainty in these times. We want you to know that the CPSU NSW will be working throughout this time to ensure your workplace rights are respected, and you have a safe workplace.

If you have any questions, issues or concerns at this time please reach out to your union Organisers, as listed below. They are working to support you and your workmates at this time.

If you know anyone who isn't in a union at this time, now is the time to ask them to join. It's essential that we have a healthy workplace amongst everything that is happening, and a healthy workplace is a unionised workplace.
