Union training? In Lismore? Yes please!

Have you heard we're in town? We're bringing our flagship Delegate Training to Grafton on 16 and 17 April and we want you to come along.

This two-day delegate course is made up of Introduction to the PSA/CPSU NSW and Role of the Delegate. This course is aimed at members wanting to get more active in their union, no prior experience necessary.

On day 1 we will learn more about how the union operates, our values and power relations.

Day 2 will look in depth at the delegate role, and run through practical organising skills to be used by active members to build power in their workplaces.

Most members have access to 12 days' paid trade union training leave (as Special Leave) every two years. It would be wild not to use it!

How to register for PSA/CPSU NSW training

Go to the PSA website at psa.asn.au and click on "Training You" drop-down arrow. Click on "Training application" and complete the online application form. Don't forget to tick the correct course!

Any questions? Contact your Organisers or email us at training@psa.asn.au.
