

CPSU NSW members' Lunch and Learn training: Restructures

Your union offered Restructure Training via zoom for members in June 2020. We received some great feedback from members about the sessions and the online format in the current climate.

Following on from this the CPSU NSW has scheduled further sessions for UOW members in September. The sessions are free and run for an hour, with the aim of giving you a better understanding of your enterprise agreement and the processes involved during a restructure.

There are two sessions and the details to enrol/login are below.
