

## Update for members

Hopefully most of you have watched or listened to the VC's presentation yesterday. The information discussed can now be found at [intranet.uow.edu.au/business-recovery/index.html](https://intranet.uow.edu.au/business-recovery/index.html).

We acknowledge there was a lot to digest and this information will certainly raise questions and issues for staff. We also appreciate this a stressful and difficult time for a lot of staff. The CPSU NSW would like you to know that we are meeting with the university regularly and will keep you informed

We understand all impacted staff should receive more detailed communication from management in the next few days.

Please reach out to us and your local CPSU UOW Delegate with any questions or concerns. If you're feeling pressured, use the support services provided by the university. Staff members and their family and friends are eligible to access free, confidential counselling from UOW's Employee Assistance Program (LifeWorks). Call LifeWorks on 1300 361 008 or click [HERE](#).

### **The CPSU NSW is with you in these challenging times**

If you would like support in the meetings ahead or would like to discuss any of the information you receive with you CPSU NSW UOW delegates please email [cpsu-uow@uow.edu.au](mailto:cpsu-uow@uow.edu.au) or call the Member support Centre on 1300 772 679

If you are a non-member who is interested in joining, please contact your local Delegate or go to [www.cpsunsw.org.au/join](https://www.cpsunsw.org.au/join).

***CPSU NSW – With You at Work!***
