

9 November 2020

You're invited to the digital launch of our first What Women Want survey

At last year's Women's Conference, your elected Women's Councillors recommended our Central Council commission a survey of working women in our sector. We opened our survey in early 2020 and now we want to share the results with you at our virtual launch.

Join us to hear the results of the survey and hear about what women in our industry want:

Friday, 13 November at 12 noon

Click [HERE](#) to register.

We will hear from our General Secretary before reporting on the results and how we can use this report to organise and win in our workplaces.

We look forward to seeing you then.

Trish O'Brien
PSA Women's Council Chairperson
