## Face-to-face WHS training is back!

2021 is up and running...and so is our face-to-face training.

We are holding a one-day Work Health and Safety (WHS) course on Tuesday 2 March 2021.

Whether you are new to WHS or would like to refresh your knowledge, there's something for you in the course.

Interested? Sign up online at [psa.asn.au](https://psa.asn.au).

Please note that the union has COVID-19 protocols in place to ensure a safe environment for the course participants and others.

### Any questions?

You can get in touch with the training team at [training@psa.asn.au](mailto:training@psa.asn.au).

We look forward to seeing you at training!
