

8 March 2021

Reminder: IWD celebrations with your union

Join us TODAY to celebrate International Womens' Day!

You can join a watch party to hear about *What Women Want* at work, or learn more about your super. Watch parties are starting at 12:00pm and 1:00pm, but you can join wherever you are, whenever suits you. You can log on and view the material [HERE](#).

Please download a poster [HERE](#) to promote the day to your colleagues and join union women in celebrating International Women's Day in a 21st-century, COVID-safe manner. Watch these at a time that suits you, together with other union members, and share your thoughts with us. Join us online and send selfies or photos to us at women@psa.asn.au or use the hashtag **#ChooseToChallenge** to spread the word, follow us on socials for more union and women's news.

For those in Sydney, you can join a COVID-safe event at 5:30pm on Monday 8 March 2021 at Domain Park (behind Parliament House, north end of Hospital Road). Because of COVID-19 safety restrictions, registrations are essential and we are limited to 500 – you can register [HERE](#).
