

Macquarie University: Professional Staff Transformation Restructures

Your union, the CPSU NSW, has been provided with Workplace Change Proposals in the following areas:

- Project E (External Engagement) Stream 1
- Higher Degree Research
- Research Innovation

The CPSU NSW is extremely concerned about further Professional job cuts and will be fighting to protect your Job Security and working conditions.

The CPSU NSW is also concerned about the impact of the Change Proposals on your workload and health and safety.

The CPSU NSW will be providing submissions in relation to the proposals and invites your feedback.

If you have any questions or feedback, please email:

Susan Emery CPSU NSW Industrial Officer
