Fancy free training?

Did you know that PSA/CPSU NSW union members are entitled to Special Leave to attend trade union training? If that peaked your interest, read on.

We offer a variety of courses and modes of attendance to suit everyone.

Our training fits into the following streams:

1. **Delegate development.** If you're curious about becoming a delegate, or are a seasoned delegate and are looking for a refresher, we've got you.
2. **Work, Health and Safety.** If you want to know more about anything to do with WHS, mental health or becoming a HSR, we've got plenty of options to suit any level of interest.
3. **New skills and knowledge.** If you're terrified of public speaking, can't keep a straight face in a negotiation or want to know more about your entitlements, this is the category for you.

We now run courses face to face, both in Sydney and Regional centres. We also offer two online options: a half day workshop or one-hour lunchtime webinar.

You can mix and match courses and modalities to make it work for you.

If you have any questions, please get in touch with us at training@psa.asn.au and we can have a chat about your options.

To have a look at our offerings please visit [HERE](#). When you're ready to apply just fill out the form on the website and you're good to go.

See you in the training room,

Suzanne, Mary Jo and John
