

CPSU NSW job security and workloads survey

The CPSU NSW is conducting a job Security and Workloads survey of Professional Staff at the University of New England (UNE). The purpose of this survey is to determine the effect job losses have had on Professional Staff at UNE. The survey results will be used by the CPSU NSW to push the university to adequately support Professional Staff either through the consultative process and/or Enterprise Bargaining.

Please fill out the survey by either clicking on the link [HERE](#) or by scanning the QR code below.

This survey is for all Professional Staff. Please ask your work colleagues to fill it in.
