

The CPSU NSW: The Professional Staff Union

The CPSU NSW is the union for Professional Staff at UTS. We are the only union dedicated solely to supporting Professional Staff in NSW universities. We work collaboratively with our members to empower, activate and support our local branches to ensure that your rights and conditions are always protected.

The CPSU NSW is a member-led, democratic union. Membership gives you a real voice and a vote in determining your pay and working conditions. Branch-by-branch, university-by-university. As a member you decide.

If you have an individual workplace issue, and you are a member, the CPSU NSW is there to help.

Professional Staff are the backbone of higher education. Watch CPSU NSW members [HERE](#) express pride in the work they do in supporting our world class higher education system.
