COVID Vaccine Survey

Your union surveyed members in April to find out how many members had received access to a COVID-19 vaccine.

Since then, CPSU NSW General Secretary [Stewart Little has met with NSW Minister for Health](#) Brad Hazzard. CPSU NSW has urged Minister Hazzard to use his offices to better coordinate a whole-of-government response to the vaccination of CPSU NSW members.

The Federal Government has also recently announced that it will set up dedicated vaccination hubs across Australia for NDIS participants.

Has your access to the vaccine changed following these developments?

Please take a couple of minutes to complete this survey:
