

Workload Issues Survey

The CPSU NSW has received feedback from a number of members pointing to significant workload pressures being experienced in the work place. In light of this, and to provide feedback for the upcoming EA negotiations, we are seeking your input on this issue by asking members to complete a short survey which can be accessed here:

<https://www.surveymonkey.com/r/AustralianUnitywork>

Please take the time to provide your input as it will be your responses that help shape discussions with Australian Unity.

The survey will be open until 5pm 12 July.
