

# NSW SCHOOL CLEANERS SAY: END THIS FAILED PRIVATISATION

NSW cleaners in public schools and Government buildings face **low pay, terrible conditions** and **impossible workloads** as they work under a privatised, for-profit model.

Cleaners are among **NSW's most injured workers\*** as they rush from task to task; meanwhile cleaners report **skipping meals** as they struggle with the cost of living.

## Cleaners speak out:

*In the last year have you delayed medical treatment because it cost too much?\**

**76%** said **YES**

**NSW cleaners deserve better. Join the rally for decent pay, secure jobs.**
